Our efforts are devoted to religious growth and personal character development. Ma'or Yeshiva is committed to providing a high caliber Limudei Kodesh curriculum as well as a full college preparatory general studies course of study to prepare each student to be an active contributor to Klal Yisrael and world society.

We assume that parents and students have chosen a school with a philosophy with which they can identify and that they will work as full partners with us in shaping a proud, principled, halachically committed Jew.
